

Technical drawing of a rectangular room layout. The room has a width of 3.00 and a total depth of 1.38. A central rectangular area is defined by a dashed line, with a width of 1.12. A small rectangular area in the top-left corner is labeled 0.78. A curved line is shown in the bottom-right corner. The drawing includes a north arrow pointing upwards and a scale bar at the bottom.

Technical drawing of a rectangular room layout. The room is defined by a double-line border. Inside, there is a grid of lines forming a 4x4 array of squares. A central square is labeled with dimensions 0.60 by 0.60. The overall dimensions of the room are 2.20 by 2.97. A small rectangular area is shown at the bottom center, with a width of 0.67. The drawing includes dimension lines and arrows indicating measurements.

MUEBLE EXPOSITOR

Technical drawing of a rectangular plate with dimensions and hole locations. The overall dimensions are 2.34 (width) and 1.92 (height). The drawing shows a series of holes along the top and right edges, with dimensions indicating their positions and sizes. The top edge has a total width of 1.84, with segments of 0.60, 0.60, and 0.65. The right edge has a total height of 1.92, with segments of 0.35, 0.31, and 0.19. The bottom edge has a total width of 2.10. The drawing includes a scale bar at the bottom right indicating 0.10 units.

The drawing illustrates a wooden frame structure, likely for a table or bench. It consists of a main rectangular frame with four legs. A cross-section view is shown on the right, revealing the internal structure of the frame, including the legs and the horizontal supports. Dotted lines indicate the projection of the cross-section from the perspective view.
